### Approval of Treasurer's Report

Motion to accept treasurer's report as shown was made by Jackie and seconded by Virginia.

### Old Business

FOSS science update- everything has been delivered, needs to be organized over the summer. We received many extra's and replacements for ordering the whole elementary and middle school curriculum at the same time.

Carnival re-cap:

We need better signage as to how many tickets/punches a game costs and pays out.

If a company or business sponsors a game, they need to make appropriate signage to advertise at that game.

No sumo wrestling as it is geared for the wrong age group and equipment was ill fitting.

Look at punch cards instead of tickets with a different color punch card for concessions.

Need more volunteers- discussed later in meeting.

Bathrooms near the gym were GROSS. Smelled and no toilet paper during the carnival. Beth will talk to Tina.

### **New Business:**

There will be no random reimbursements from PTL. If you would like PTL to fund your project or event, you MUST come to a meeting and present your idea in advance.

Holly would like to bring in a Christian singer, Doug Larson, for a concert sometime in the fall. The cost would be \$2.00 per student and we would like to partner with other Lutheran Schools in the area. All agree for Holly to move forward.

Holly along with volunteers including, Dan Page will be working to get an athletic booster club started at Trinity. More information to come.

Vanessa brought Usborne book fair material for thoughts. We will move forward to get more information on pricing and dates. We would use the book fair dollars exclusively for the teachers since this material is all educational.

Volunteer policy to be implemented. DSM approved and now Beth will talk with Tina. Policy written. PTL requires 20 hours of volunteer time per family per year. Every hour not used will be charged at \$20/hr. Money will be collected with registration at the beginning of the year. At the end of the year, refunds will be given or funds carried over for next year's registration. Volunteer hours will be tracked using a numbered voucher that will need to be signed by an officer of PTL.

Holly motioned to adjourn the meeting.

### **Next Meeting**

Mid-week sometime in July at Vanessa Bellman's house. More info to come.
