Early Childhood Learning Center (ECLC) Childcare & Education for ages 6 weeks through 12 years. "Where Children not only grow, they *"flourish"*."

March 2018

"O give thanks to the Lord, for He is good; for His steadfast love endures forever!"

Psalms 106:1

News to Note

Spring Break: March 26-29, 2018. Child care for all ages will be offered. NO hot lunch that week. ECC and SonShine families please register for care in the classroom or email billing@trinitynet.org. For any other rooms, please notify us of schedule changes.

Center Closed: March 30 for Good Friday

Grandparents Day for LL, RR, BB: March 9 from 8:00-10:00. Meet your child in their classroom. Sign ups in the LL, RR, BB rooms for bringing in fruit and/or cutting fruit Thurs. night and/or for serving Friday morning. RSVP's were due Monday, Feb. 26. Please RSVP if you haven't.

Security Badges: when the day school closes for inclement weather and there isn't any staff available to buzz families through, the secure doors will be propped open until they can be reprogrammed to unlock for the day with all parent badges.

Too Cold! We do not go outside if the "feel like" temperature is 10 degrees or less. This includes the wind-chill factor.

Safe and Secure! Friday, March 2 the child care center along with the day school will be conducting a drill for a Hard Lock Down. Children will practice being in a "safe" place if there is danger in the building.

ECLC Chapel

Chapel on March 2 will have Mr. Stengl, Youth DCE, giving the message. Families are welcome to join Little Lambs, Rainbow, Butterfly and 4K rooms in the Upper Sanctuary at 10:00a.m.

4K-8th Grade Day School Registrations are now being accepted in the Day School Office. There are 12 openings in the 4K room for the Fall of 2018.

Soup Suppers: every Wednesday until Easter. The Youth at Trinity will be serving soup from 5:00-6:30p.m. Donations will go towards the Youth Program. Come join us for food and fellowship.

School Carnival: Sunday, April 22; 1:00-3:00

Importance of washing hands: Washing hands with soap and water is the best way to reduce the number of microbes on them in most situations. If soap and water are not available, use an alcohol-based hand sanitizer that contains at least 60% alcohol. Alcohol-based hand sanitizers can quickly reduce the number of microbes on hands in some situations, but sanitizers do **not** eliminate all types of germs.

Hand sanitizers are not as effective when hands are visibly dirty or greasy.
