Approval of Treasurer's Report

Holly made a motion to approve treasurer's report as read and was seconded by Jaime.

Old Business

Grandparents Day – Big thank you to all of the volunteers. Suggestion is to label everything for future use so that everyone knows what belongs to PTL.

Drive for Kids' Sake – Beth reported back that Ford has contacted her stating that they would need at minimum of 300 test drives in order for them to come. This is merely impossible to guarantee. Chrysler is reviewing our application and we should know by the end of March. Beth will continue to follow up.

Mother/Son Archery – This was successful for our first year. We had about 20 participants.

Father/Daughter Dance – Update was given that decorating would be done the Friday before. We may look next year to send home emails as well as some parents did not get the paper invites home.

New Business

School signs – We will look to order double sided signs that represent Trinity. These signs will be offered up to every family that would like to place one in their yards. We will have these available for school registration 2017/2018. Once all families have them we will open them up to church members for a nominal cost. They will need to go to the school office to pick up. We will look to order 200 initially. The motion was made by Holly for PTL to pay up to \$800.00 for the signs and was second by Ted. All were in favor and no opposed.

School Carnival – The Gorr's are going to publicize wherever they can. We will look to all TV stations and newspapers. Door hangers will be given to the boy scouts to be hung on neighbor's doors on 4/2/17. The volunteer website is up and running. Donations are starting to come in.

Discussions were had regarding the potential for the teacher/school store. We will continue to work on this and provide items and cost of what this would all entail. We will look for a plan to be put together and brought back.

Beth adjourned the meeting.
