THANK YOU for the opportunity to partner together to share the Easter story through "Bow the Knee." It is truly a blessing to be using God's gifts of drama and music to tell His story. Our thanks go out to all who helped in any way: invited friends, ushered, shared a postcard, covered a window, wired an outlet (our lighting crew really appreciated it), delivered posters, gave up your spot on Sunday to stand so someone else would have a seat, provided such a wonderful assortment of food for your fellowship. Thank you! We wish to express a special thank you to Pastor Zach Holdorf and Tim Rock for their leadership and Dave Christian, the Properties Ministry, and Band of Brothers for the many hours spent preparing for the drama.

LEGACY 2018 UPDATE: The annual Leave a Legacy Auction raises a significant amount of funds for non-budgeted items and large-scale projects that enhance the learning environment at Trinity Lutheran School. 2018 Legacy funds were raised to overhaul the Library, including new books, shelving, seating, and potentially carpet. The Legacy Committee is actively working on this project now. The 2019 Leave a Legacy Auction is already in the planning stages. If you want to be a part of this committee, please contact Jeff Gorr at jeffgorr@aol.com.

FENCE UPDATE: The 2017 Legacy Auction raised funds to add a fence along 5th Avenue to provide additional safety and security measures for the students as they have Recess and Phy. Ed. outside when weather permits. While this project has been on hold multiple times for multiple reasons, *the funding remains set aside*. The fence was purchased. ***Last week, the NLSA (school accreditation) survey team listed this as a critical need, so there is now a sense of urgency associated with the project. The Properties Ministry is working on a plan to have the fence installed this summer. Due to an electrical line, the fence will be placed in the parking lot along 5th Avenue. We will lose some spaces for parking, and there is no way around this.***

COMMITTEE NEEDED: In conjunction with the upcoming retirement of Phil Larson, there will be a need for a committee of 5 people to help provide direction of IT needs within the church, school, and the child care center. If you have a skill set in, IT Contract Management, IT Infrastructure, or Software Lifecycle Management and want to serve, please contact Craig Hoehne via email craighoehne@hotmail.com.

WACKY WALK-A-THON FOR TECHNOLOGY will take place on Friday, May 17th, 9-11am—students, staff, and families will participate to raise money for updated technology for the school! Find a student or teacher to fill out a pledge sheet. Questions? Contact lanej@trinitynet.org.

SEARCH COMMITTEE NEEDED: Lay Ministry is prepared to move forward with assembling a search committee for the Director of Music position at Trinity Lutheran Church. If you are interested in serving on this search committee please contact Roger Lutz at 715-675-2733 or RDLutz12@gmail.com. We are looking for at least one person with call committee experience.
